

Yi-Liang Shu**Education :**

Dr. of Institution of Aeronautics and Astronautics, National Cheng Kung University

Career Experience :

Researcher of Industrial Technology Research Institute

Courses Taught :

Fluid Mechanics, Special Topics of Safety Health and Environmental Engineering,
Fire Safety Practice, Machine Safety Practice

Professional Fields :

Risk Management, Fire Safety, Fire Simulation

Research Interests :

Fire Safety Engineering

Representative Publication in 5 Years :

1. Yi-Liang Shu* & Chiun-Hsun Chen, 2008/11, Usage and Discussion for Water Mist
Fire Suppression Technology, International Symposium on Fire Safety Technology

2. Wen-Yao Chang, Ping Kun Fu, Chiun-Hsun Chen & Yi-Liang Shu*, 2008/10, The
Performance Evaluation of Portable Water Mist Fire Extinguishing System with
Additive, Fire and Materials

3. Wen-Yao Chang, Ping-Kun Fu, Chiun-Hsun Chen, Yi-Liang Shu

*, 2008/2, Performance evaluation of a water mist system in semiconductor wet bench
fires, Process safety and Environmental Protection
